SEVEN CORNERS

why choose seven corners?

why you need this program.

The United States offers the most comprehensive medical care, but it is often complicated as well as very expensive. For a visitor to the United States, or a recent immigrant, finding an insurance program that is easy to understand and reasonably priced is often difficult.

As a solution, Inbound® Guest was developed to provide a simple and affordable program to visitors and immigrants.

This is a brief description of the Inbound® Guest program. Detailed wording is outlined in the Program Summary, which will be e-mailed to you once you have enrolled in Inbound® Guest.

eligibility

This program is available to non-United States citizens who come to the U.S. for business, pleasure, to study, or to immigrate. The program must become effective within 180 days of arrival in the United States.

description of coverage

period of coverage

You may initially enroll in Inbound® Guest for as little as 5 days and up to maximum of 180 days. Total period of coverage for Inbound® Guest cannot exceed 180 days (*in order to reapply after the 180 days, you must first return to your home country*).

effective date - Your coverage will begin on the latest of the following:

1. Your departure from your Home Country; or
2. The date your Application and premium are received by Seven Corners; or
3. The date your Application and premium are accepted by Seven Corners; or
4. The date you request on the Application.

expiration date - Your coverage will end on the earlier of the following:

1. The date shown on the Insurance Confirmation Card, for which premium has been paid; or
2. The date you return to your Home Country; or
3. 6 months after your original Effective Date; or
4. The day an insured becomes a U.S. citizen or is considered a U.S. resident by the state where they are residing; or
5. The date of entry into active military service.

Upon each renewal, the rates, benefits, and program in general are subject to change.

schedule of benefits

If your covered Injury or Sickness requires treatment by a physician, this program will provide benefits up to the scheduled amount, as listed in the Schedule of Benefits, which exceed the chosen Per Person Deductible (*\$0, \$50 or \$100, or a \$200 deductible for age 70 and over*) for each Injury and each Sickness and which are incurred within the 26 weeks following the Injury or Sickness. Payment for any covered service will not exceed the Benefit Maximum shown. The maximum amount payable for all benefits will be no more than \$45,000, \$65,000, \$85,000 or \$120,000 for each Injury and each Sickness.

For persons age 70 and over, the maximum benefit limit is \$40,000 or \$60,000 for each Injury or Sickness. The period in which covered expenses must be incurred is 26 weeks following the Injury or Sickness, and a separate schedule applies.
